A photograph of a multi-story building with a light-colored stone facade. A large, mature tree with green leaves stands in the foreground on the left, partially obscuring the building. The building has several windows, some with white frames and others with dark frames. A decorative, arched entrance canopy with ornate metalwork and a small 'M' logo is positioned over the main entrance. The canopy has the number '545' in gold lettering. The building is situated on a city street with a sidewalk and a small planter box with greenery in front of it.
