PENTHOUSE

The Penthouse floor at 156 Fifth Ave offers a rare, unique opportunity to be on the top floor in one of Flatiron's most distinguished and historic buildings.

The top floor features 18' high ceilings in portions of the space with thin exposed columns. Adjacent to the space is a dedicated 2,000 SF terrace with incredible views looking north toward Midtown.

The space is light-filled with windows on all sides, and was recently outfitted with new windows.

Building: 156 5th Avenue
New York, NY 10010
