

State Street

17 State Street is an iconic 42-story boutique Class A glass tower that defines the downtown Manhattan skyline.

Offering permanently protected, sweeping, unobstructed views of Battery Park and New York Harbor, its continuous vision-glass façade and column-free floor plates deliver workspaces that are both striking and highly functional.

Step into a workplace redefined and discover high-end, prebuilt office suites bathed in natural light. Enjoy hospitality-level services at the Liberty Lounge and Conference Center. Benefit from direct access to subways, ferries, and PATH in a dynamic neighborhood brimming with rich dining, business, and amenities. Outside, a landscaped plaza features public art, comfortable seating, and seasonal activations.

As Owner-Manager, RFR is committed to delivering personalized service and creating a workplace environment that supports productivity and comfort. Our focus on cleanliness, safety, and operational excellence ensures a consistently high level of tenant satisfaction.

Work with a Different Perspective

A New Way to Conference, Collaborate, Recharge

The new **Liberty Lounge and Conference Center** offers a variety of flexible spaces designed for hospitality, collaboration, conferencing, events, and downtime. Tenants will enjoy a premier experience that becomes an extension of their office.

Spaces that Work for You

Whether recharging at the **Café**, collaborating in the **Library Lounge**, or hosting gatherings in the **32-seat Boardroom** or **Town Hall/Event space** for up to 74 guests, tenants enjoy flexible, inviting spaces for every occasion. Dedicated wellness amenities include a private **Mother's Room**, offering comfort and privacy. For those who bike, run, or simply need to reset, the **on-site End-of-Trip facility** provides a changing room, shower, and space to freshen up before the workday begins.

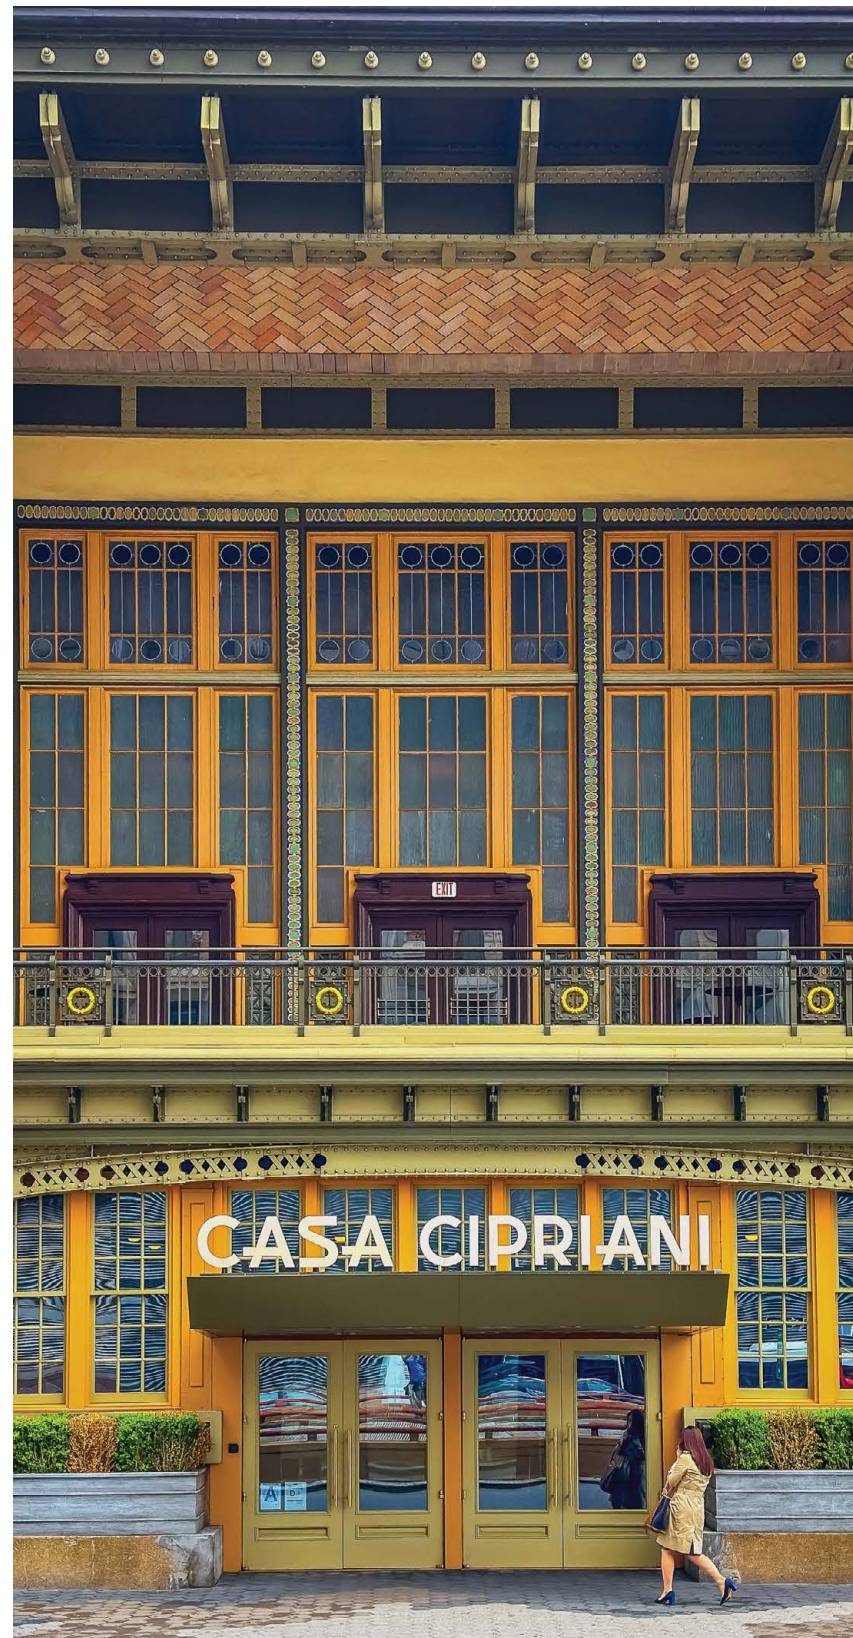

A Vibrant Neighborhood for Every Lifestyle

Enjoy dining and shop for convenience and luxury at Whole Foods, Printemps, and nearby retailers. Step outside to Battery Park's waterfront paths and greenspaces—a perfect balance of work, leisure, and connection.

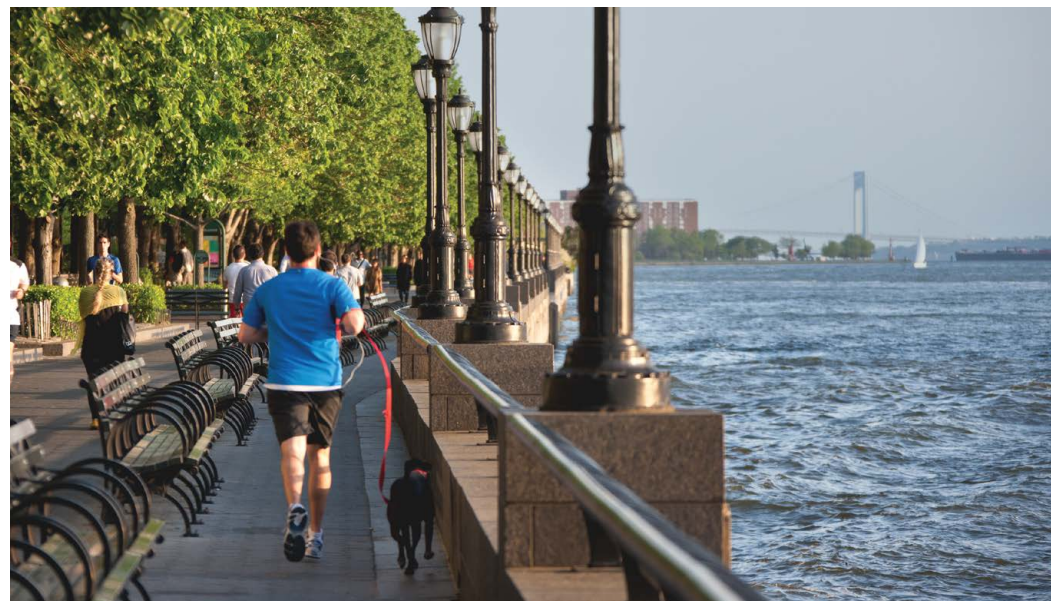

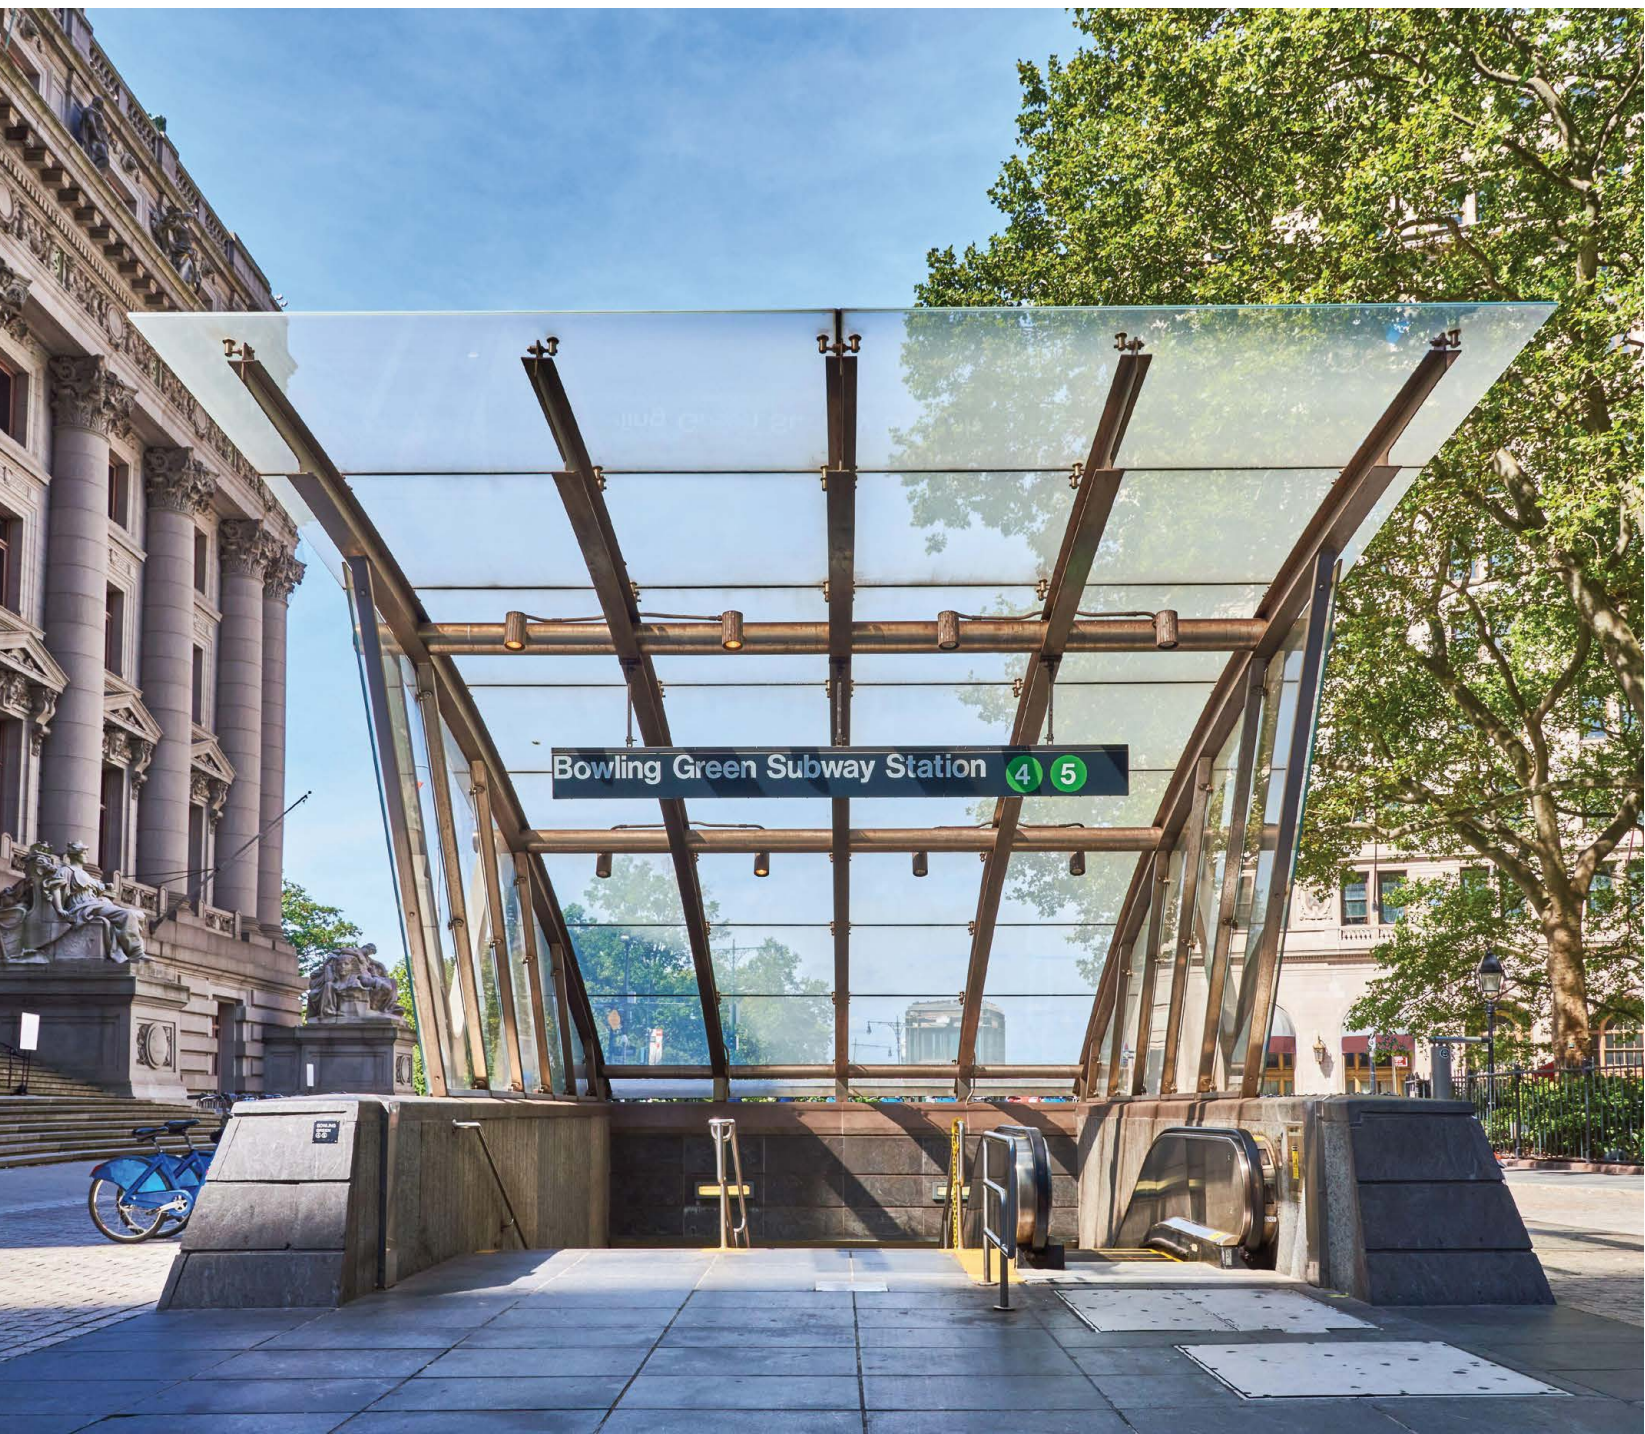

Green Space on Demand

A Connected Commute

MTA Subway

Walkable access to nearly every major line all just a few blocks away:

1 2 3 4 5 R W A C J Z

Ferries & Water Transport

Steps from the Staten Island and New Jersey ferries, the NYC Ferry, and Wall Street/Pier 11.

PATH & Regional Rail

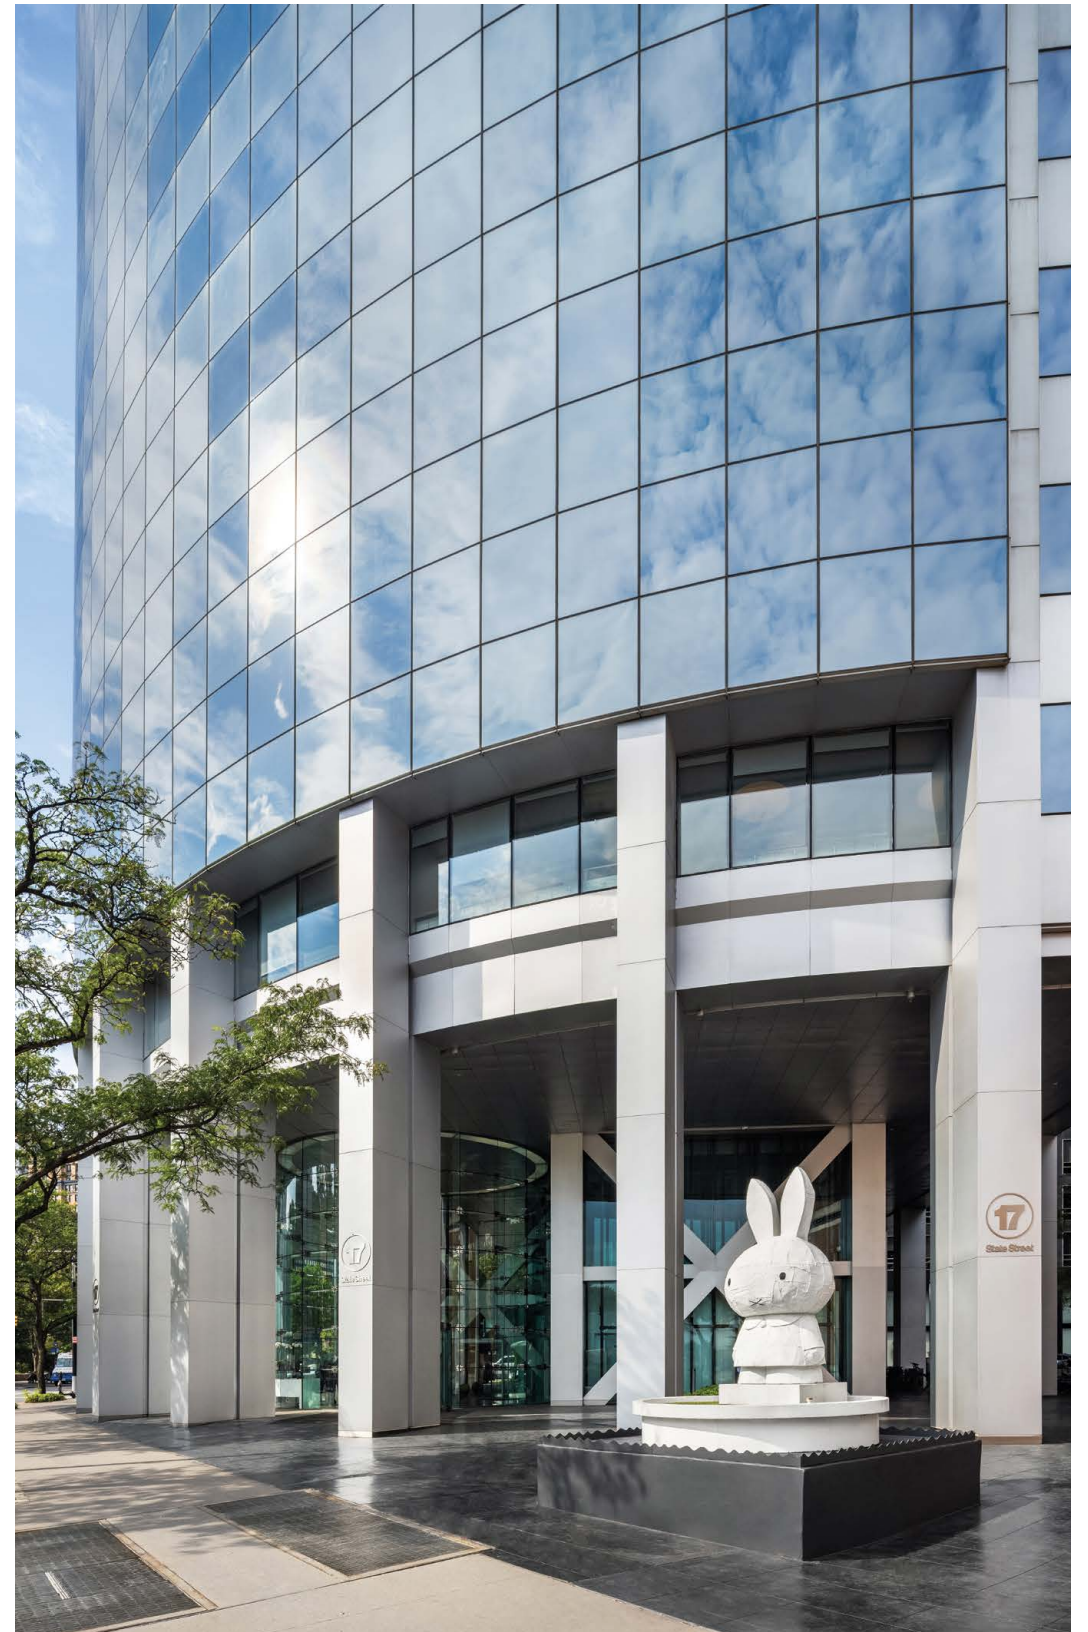

Connections to PATH trains and regional transit via World Trade Center and Fulton Center link tenants to New Jersey and beyond.

Experience Art Everyday

RFR has always believed in the transformative power of art and architecture to elevate the built environment and shape memorable experiences. At 17 State Street, this philosophy comes to life through a rotating art program, currently featuring works by Tom Sachs and Carsten Höller.

Clear Views. Clean Design.

Continuous vision glass and floor-to-ceiling windows bring natural light deep into each workspace, framing panoramic views of the harbor, skyline, and park below.
