ALL ACCESS LOUNGE

BOARDROOM

Steps from Grand Central Station & Bryant Park

Operating on floors 9-11 and 15, the workspace features a dedicated street-level entrance for private access and versatile floor plates designed for headquarters suites, private offices, and full-floor occupancies.

Make this your new professional home base with a centralized amenity hub, featuring a premium barista station, conferencing facilities, and collaborative open-desk areas, complemented by an additional full kitchen. Throughout the building, expansive windows provide sweeping views north along Fifth Avenue, offering a high-performance environment in one of the city's most iconic corridors.

QUIET LOUNGE

QUIET LOUNGE

State of the art workspace

- Located in the prestigious Midtown corridor opening Fall 2026. Just steps from Grand Central Station and 42nd Street-Bryant Park offering easy access to the 4, 5, 6, 7, S, B, D, F, M, LIRR, and Metro North Railroad.
- Features a dedicated street-level entrance serving floors 9-11 and 15, with floor plates customizable for HQ suites or full-floor occupancies.
- Includes a centralized space with a barista station, full kitchen, event space, parents room, wellness room, and high-tech conferencing facilities.
- Optimized for productivity with a mix of private offices and open-desk areas featuring sit-stand desks and sheetrock privacy between offices.
- Expansive windows throughout the building provide iconic views looking north along Fifth Avenue.
