

475

Park Avenue South

5,000 RSF

Partial 10th Floor

We believe a company's space should enable their growth.

Knotel's flexible workspace platform adapts to your needs, giving you not only the right space but the right experience, strategy, and design to move your company forward.

Match

We source a selection of possible spaces based on workplace insights, ensuring that each is suited to the company's business goals and work styles.

Tailor

We create a holistic workspace offering – addressing physical, data, and service requirements – designed to meet and respond to the company's needs.

Manage

We offer dedicated space management services, while collecting relevant anonymous data to evolve our services as and when the company's needs change.

Workplace strategy

Informs our business across all phases

Real estate

Uses workplace insights to identify versatile spaces for acquisition.

Space management

Collects relevant data to evolve our services as and when the company's needs change.

Architecture & construction

Leverage internal expertise to build efficiently and maximize the space.

Environmental design & implementation

Execute the build-out to reflect the company's identity and business goals.
